

Quality, Occupational Health and Safety Policy

The Management and Staff of Infinite Security Solutions recognize the importance of Quality, Occupational, Health and Safety as an integral part of our culture and will strive to meet or exceed requirements of the Integrated Quality, Occupational, Health and Safety Management System; compliance to laws, regulations and other requirements.

We are committed to:

- Ensure vendors are aware of the requirements and their obligation to provide quality products and services.
- Mindfully deliver products and services in ways that can meet or exceed expectations of our customers.
- Provide a safe and healthy working environment for all employees, contracted consultants and visitors in prevention of injury and ill health.
- Safety of employees, contracted consultants and visitors will be the first consideration in the operation of the business.
- Use risk assessment, safe work procedures to reduce/eliminate all hazards when working.

We will ensure all our employees, contracted consultants and visitors in the company premises and at various sites to adhere to the quality, occupational health and safety requirements to safeguard our own and others safety and welfare through continual improvement in Integrated Quality, Occupational Health and Safety Management System.
