

# SECURABLINDS®

Certified by the American Department of State (DOS)

**Official Representative**

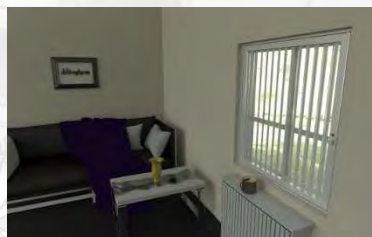

ISS has established a trusted partnership with a recognised World Leader in the supply Blast Protection and Forced Entry Prevention security blind equipment. These distinct range of products can be developed, manufactured and distributed to both the Law Enforcement and civilian markets. SECURABLINDS are tested and proven to protect your assets and people from attack.

This unique patent system has been tested and used for resistance against forced entry attacks in the following environments:

- Schools
- Banks
- Cash Handling Centres
- Religious Buildings
- National Infrastructure Control Centres
- IT Control Rooms
- Guard Rooms
- Embassy Buildings

The SECURABLINDS products are custom made for your building and offer a range of specifications. These include Single Gate (left or right hand hung), Double Gate, Fixed Grilled, and Horizontal Slider. The solid construction of the SECURABLINDS Product Range creates an impervious barrier between an attack and the insider of your property.
