

# MARITIME ESCORT SERVICES (West Africa)

Through our West African office and partners, *Infinite Security Solutions (ISS)*, now has the capability to provide you with a full **MARITIME ESCORT SERVICES** across the Gulf of Guinea (West Africa).

Once the risk assessment has been undertaken by *ISS*, yourselves or jointly; the threats and vulnerability identified, the **MARITIME ESCORT SERVICES** will provide mitigating measures for all aspects of each threat or risk, in the waters off West Africa.

## MARITIME SECURITY

ISS with its local partners undertakes maritime security work together with The Nigerian Navy, with whom are partners share a Memorandum of Understanding. Our services, which incorporate our bespoke risk mitigation approach, include:

- Armed escort and patrol – offshore and inland
- On board vessel security
- Vessel hardening and best practice
- Intelligence risk analysis
- Vessel and port risk assessments
- Maritime security consultancy
- Crisis management and emergency response

Working onshore and offshore, we can supply purpose built patrol boats designed to offer enhanced security and assurance. Our security operations room is 24/7, 365 days and is equipped with up to date tracking and communications technology.
