

MARITIME MEDICAL SUPPORT(MMS) (FOR DAY TO DAY & MARITIME PROJECTS)

Infinite Security Solutions (ISS) in partnership with a leading medical provider offering medical, risk and security solution to all industries, including the maritime industry and including crew support and casualty evacuation. Our partner with its qualified and experienced medical personnel, can provide medical cover to both Land-based and Maritime Assets and Facilities worldwide.

In times of need, we make the world seem smaller with our air ambulances built to serve patients in need. With the state-of-the-art medical technology and combined with highly trained medical air-crews and medevac ground management team, we can be your trusted provider of international air-medical transport, not just in Asia but around the world.

Our Air Ambulance service offers 24 hour emergency and non-emergency medical transport services and we endeavour to provide a competent and most-dependable service for patient transfer around the globe.

Our highly-skilled and trained pilots, doctors, nurses and multilingual ground support personnel, shall be at your service day and night, as we are exceptionally committed to provide service excellence in the safety and stability of our patients whilst onboard. Our complete service ensures continuity of quality care and customized to the patient's medical requirement and financial consideration.

Our services include, but are not limited to:

- Off-shore Paramedics and / or Doctors
- ACLS & HUET Training and Certification
- MEDIVAC from offshore asset to nearest Hospital
- Onward medical evacuation as required to a centre of medical excellence
- Topside support call centre 24 / 7
- Equipment procurement
- Out patient treatment as required.

Patient's safety and stability are of paramount importance. All medevac cases are managed through our 24/7 Flight Operations Centre.
